Pain in Stomach

It has been said that a healthy person doesn't know he has a stomach.

How unhealthy the dyspeptic must be!

He feels as if he were all stomach, and one thing that makes him feel so is that pain at the pit of the stomach—sometimes an "all-gone feeling"; sometimes a "burning sensation."

"I suffered from pain in my stomach and could not eat. An old gentleman told me to take Hood's Sarsaparilla, which I did, and after the use of four bottles I gained my appetite, and I was soon completely cured, so that now I feel like a new man. On no account would I be without Hood's Sarsaparilla in my house." Henry Callan, 71 Commercial St., Portland, Me.

"I had to be careful what I ate or I would suffer terrible pains from indigestion. Since taking Hood's Sarsaparilla I can eat anything that anyone can and without pain. My son, who was run down, and had no appetite, was cured by this medicine." Mrs. Amy A. White, North Harrison St., Council Bluffs, Iowa.

ELECTION HONORS ARE ABOUT EVEN.

(Continued from page one.)

Democrats in Union county is offset by losses in other counties. The representation in the house this year will be the same as last year, 56 Republicans and 32 Democrats.

In Paterson, William Belcher, Republican, is elected mayor over John Johnson, Democrat. The present incumbent John Hinchliffe, is a Democrat. Jersey City, Asbury Park, Brigston and New Brunswick elected Republican mayors. Trenton, Hoboken and Bayonne the Democrats elected their majority candidates.

NEBRASKA REPUBLICAN.

Omaha, Neb., Nov. 4.—Judge Barnes, Republican, is elected supreme judge over Judge Sullivan, the present incumbent, by a plurality which may reach \$200. The remainder of the Republican state ticket is elected by 10,000. Barnes running considerably behind the other candidates. These figures are conceded by the Democrats.

In Douglas the Democrats elect county clerk and probably one other candidate on their ticket and the Republicans secure the remainder of the offices. On the judiciary ticket the Republicans gained a victory, electing at least five or six of their candidates. Much excitement was caused this morning at the polling booth of the fourth district of the Fifth ward by the election judges forcibly ejecting an officious colored policeman. After the count was completed the judges discovered an error which required a re-telling. The patronage undertone, force the judges to turn the ballots into the county clerk's office and his interference was resented.

BARNES' PLURALITY.

Lincoln, Neb., Nov. 4.—The Republican state committee has received enough figures to convince them that Judge Barnes' plurality over Judge Sullivan will be about 12,000, and that the Republican candidates for regent will run ahead of Barnes.

COLORADO REPUBLICAN.

Denver, Colo., Nov. 4.—Chief Justice John Campbell, Republican, has been elected to the supreme court by a plurality approximating 8,000. The plurality of Adair Wilson, (Dem.), in Denver, is over 5,000, but the Republicans charge wholesale fraud in this city.

Owens, the People's Party candidate for supreme judge, in several counties, ran second and polled close to 10,000 votes in the state. In the two districts where judicial elections were held Republicans were re-elected.

W. H. Bryant, chairman of the League for Honest Elections, made the following statement today concerning alleged frauds in Denver:

"The election in this county shows how the city is at the mercy of a criminal police department. In every precinct where gross frauds were committed the police were in control and the work was done by them or under their supervision. A good illustration of this was found in the second precinct of the Fourth ward. That was in charge of 'Billy' Green, of the police department, and under the eye of 'Mike' Delaney, police captain. At the charter election a week ago the vote was a little more than 200. Yesterday it showed the remarkable result of 717 for Wilson, 9 for Campbell. Such a result is stamped fraudulent on its face, and yet we seem to have no remedy. The courts turn a deaf ear; our officials of nearly all active participants in the fraud; the people seem content."

The League will continue its work. It will collect and preserve its evidence—some day we will have a court honest and courageous enough to give us a grand jury; it will perfect its organization and prepare for future elections."

MISSISSIPPI DEMOCRATIC.

Jackson, Miss., Nov. 3.—From returns at midnight it is doubtful if the vote will reach 20,000. The Democratic ticket, headed by J. K. Vardaman, for governor, was elected. The legislature chosen today will elect H. D. Money and A. J. McLaughlin senators.

The Republicans have elected the auditor city attorney, tax collector, county clerk and eight supervisors. The county clerk and sheriff, who was endorsed by the Union Labor party, the assessor, recorder, coroner, district attorney and in combination with the Union Labor party, the two police judges and 10 supervisors. The complete returns may possibly make a few changes in this city, but the vote in several instances is close.
